

Announcing EERV cal, an iPhone, Android and Web Application!

Adrian Kosmaczewski

2011-12-20

We are ecstatic to announce the general availability of the EERV cal¹ mobile application, created with Sencha Touch² and PhoneGap³, and available as an HTML5 web application⁴, and also on the App Store⁵ and the Android Market⁶!

7

This app has been built for the local protestant church, the Eglise évangélique réformée du canton de Vaud⁸ (EERV), and features the complete agenda⁹ of events proposed throughout the region.

Check it out on the App Store¹⁰ the Android Market¹¹ or install the web app directly from your browser¹²!
