In 2007¹, 2008², 2009³, 2010⁴, 2011⁵, 2012⁶, and 2013⁷ I published lists of books I enjoyed every year. Then I enumerated those I read from 2014 to 2019⁸, and then the ones of 2021⁹.

Here's the complete list of books I read and enjoyed in 2022. There's a little bit of everything, from poetry to programming to business to philosophy. You can check what I'm reading right now¹⁰ if you're interested, too.
